John Otis sent a letter requesting water on West Taylor ditch. We will send him a response back informing him we do not have shares available.

Joe Rencher: East Snowflake is not getting enough water. Need to fix problem at ditch located at Leon Bigler's tank. He asked if we had a way to measure our ditches and stated that there are only 13 turns on that ditch. He stated that the valve is too small going into pipe from the start, so a larger valve needs to be installed. We will go look at existing valve to see if we want/can replace.
