Brian Weir (#6):

Here to advise on a website we can utilize to communicate information to our customers. Brian (928)241-3514 can build a website for info only, or you can use a free google account. \$100/year to have an account with SCID name. He would create an address, where it can redirect. He will bring a prototype to present to the board next meeting, May 2.

Need to check on existing website created by Delores back in 2021. Noelle will get info and work with Brian to get it transferred to Brian. Weirba11@gmail.com Send meeting minutes where he can use to show us how the site will work.

Motion made by Kyle to have Brian do the website, 2nd by Kyle.

Ray Turley (#8):

During the process of changing the ditch in 2001 Turley's had 30 min. run time (from Lee McCray). The "run time" was taken when redoing the ditch. The duration was 9:15 min. back then, now 8:45 min. His thinking is that it was taken out of shares, not the run time. Asking to get 30 minutes back.

Double Ditch is 30 min. shares

Take 15 mins run time from each Austin and Burke's
Terry motion to give Turley's 30 mins, 2nd by Kyle

Double Ditch will reflect this change on next year's schedule.
